Skills

- Business Communication
- Managerial Accounting

Born in Jakarta, 11 June 2002 to a musical family, teamwork is the thing I learned first time with my family during our time as a church musician. As an extrovert I could easily get along with people and enjoy being surrounded by them.

Achievements & Activities

Back in high school I used to compete in English competitions, placing third place in the OSTAR Tangerang Region Speech Competition 2017, third place in the NSDC Tangerang Regency English Competition 2019, and being the Tangerang Regency Representative for the NSDC Banten Province English Competition 2019. I Used to study Mandarin and could understand Javanese. Growing up in a musical family makes me capable of playing the drums, guitar, bass, and piano. During my spare time I enjoyed playing badminton, cycling, and making drum covers.
